

## Anthem Blue Cross - Paper Enrollment Checklist

Group Effective Date: 03/01/25

We appreciate this opportunity to serve you and your group and want to make sure your enrollment experience is prompt and accurate. Our goal is to process your group as quickly as possible. This checklist outlines the eligibility requirements and documentation needed based on group size. Please use this tool to help ensure the new group paperwork you submit is complete.

### Required Forms

#### Employer Application

- Complete all sections of the application. Missing information will cause a delay in group implementation.
- Applications must be signed by BOTH the employer and the broker.

#### EFT Authorization Form or Business Check

- 100% of the first month's premium is required.
- When an electronic debit payment/recurring payment option form is submitted, the form **MUST** be completed in full. This form can be used for a first month only draft, **or** ongoing withdrawals. If no date is specified for funds to be withdrawn, it will default to the 25th of each month.

Note: Anthem will accept payment for anyone paying on the group's behalf. An explanation is required to be submitted with the payment if the group check is under a different company name.

#### Owner eligibility statement

- An eligibility statement is required for all eligible owners that are enrolling and not appearing on the DEgC, prior carrier bill, or when listed on the DEgC with low wages.
- For Start-up groups and groups using the no DEgC promo, the Eligibility statement is only required if the owner is enrolling.
- If the owner/employer is not listed on the DEgC, please provide proof of owner/employer's eligibility:
  - Sole Proprietorship — Schedule C
  - Partnership — Schedule K1 (form 1065)
  - LLC — Schedule K1 (form 1065) or Stamped/filed Statement of Information
  - Corporations — Stamped/filed Statement of Information

Note: At their discretion, the carrier may request additional documents to verify the group and/or owner's eligibility. These documents may include the following: Business License, Partnership Agreement, IRS Taxpayer ID Number (TIN) letter, Statement of Organization w/signed Operating Agreement and tax documents.

#### Simple Census Enrollment Template and Life/Disability Census Template

- When completing the enrollment template, the broker agrees to retain a copy of enrollment applications on file.
- All required information for eligible full-time employees must be listed on the simple census enrollment template or on the enrollment/change forms.
- When using the simple census enrollment template, it's not necessary to send employee enrollment. However, it is necessary to send the waivers and COBRA or Cal-COBRA enrollment forms.

**Note:** Please ask employees to provide an email address on their application, if applicable. Members who provide an email address with their application will get an email with an activation code to register on [anthem.com/ca](https://anthem.com/ca) within 72 hours of completing enrollment. This code allows members to register and view their digital ID card right away. Members can also set their ID card preference to digital, if desired.
